ABOUT ME

I am a motivated and detail-oriented Engineering student with a strong foundation in front-end web development, including HTML, CSS, and JavaScript. Passionate about designing user-friendly interfaces and improving web experiences, I am also familiar with networking concepts, HTTP methods, and version control using Git. Additionally, I have experience working with Figma for UI/UX design. I am eager to apply my skills in a professional environment, contribute to impactful projects, and continuously learn new technologies.

EDUCATION

Dhanalakshmi Srinivasan Engineering College (autonomous)

| 2022-present

BACHELOR OF INFORMATION TECHNOLOGY

Gaining a strong foundation in computer science fundamentals, software development, and networking concepts, while actively engaging in projects involving HTML, CSS, JavaScript, Git version control, and UI/UX design using Figma. Participated in technical workshops and coding practice sessions to enhance problem-solving abilities and strengthen development skills.

Dr.J.C.Kumarappa Matric Higher Secondary School

| 2021-2022

HIGHER SECONDARY SCHOOL

Completed Higher Secondary in the Computer Science stream with a focus on programming fundamentals, networking basics, and problem-solving skills. Developed early interest in web technologies and UI design through academic projects and practical exercises.

WORK EXPERIENCE

Wiztech Automation Solutions – Chennai

2025

FULL STACK DEVELOPMENT INTERN

Worked on developing and maintaining web applications using HTML, CSS, JavaScript, and backend technologies. Assisted in creating responsive UI designs with Figma, integrated APIs, and collaborated with the development team using Git version control. Gained hands-on experience with both front-end and back-end workflows, debugging, and deployment processes.
